

Protect Your Vacation with Guest Protect

Before you Go

Unable to travel due to a cold? Kids making up their snow days on the first day of family vacation? No problem! Trip Cancellation coverage keeps you from losing your vacation savings if you need to cancel for a covered reason. Don't need to cancel? Included Concierge Services make you feel like royalty as CSA's designated provider agents make restaurant reservations, order flowers, arrange tee times and more at your request.

During your Vacation

Even when everything goes right, vacations can be a stressful time: making flights, renting cars, traveling with young children, finding activities ... the last thing you need is something to go wrong. But if it does, CSA Vacation Rental Insurance can help you keep your cool. With coverage for Baggage Delay, Emergency Assistance, Trip Interruption and more, you can focus on the more important things. Our designated assistance provider can help with the smaller issues that can plague travelers, such as medical referral and replacement of medication or eyeglasses.

After you're Home

At CSA we strive to keep our claims process as pain-free as possible. One claims representative will work with you from start to finish, making sure you receive the responsive, friendly service you need. Included Identity Theft Resolution Services offer you six months of coverage after your scheduled departure date.

What could happen?

Consider these real-life scenarios:

It's the week of your trip and the news shows that the storm of the century is causing evacuations at your destination. What about the unused travel arrangements you've already paid for?

You're walking up a flight of stairs at your rental and lose your footing, breaking your leg. Where is the nearest hospital? How will you pay for the medical care you need or emergency medical transportation?

Your luggage with your sports equipment never showed up at baggage claim and you may not get it for another 24-48 hours. Now you must buy necessary personal items and clothing, as well as rental equipment for your sports-related activities. Can you get reimbursed for this?

On Demand Medical Care

Getting sick on vacation is never fun, but it doesn't have to be difficult to find what you need. With just one call, we can provide you with immediate access to on call physicians, medical advice, even referral to a physician near you using CSA's designated provider network of 30,000 physicians and 850,000 service providers worldwide. It's like taking a doctor with you on vacation.

Consult A Doctor™

Connect instantly with a network of physicians for information, advice, and treatment, including prescription medication, when appropriate. Save time and money and get back to enjoying your vacation.

No Out Of Pocket Medical

No claims to file! If you get sick or injured while traveling, we can get you to a trusted provider and even handle the payment for acute treatments up to \$1,000.
